

# NATIONAL HEALTH CARE REFORM LOBBY DAY: JUNE 25

## *Make Your Voice Heard!*

Join thousands of union leaders, members and allies in our nation's capital to demand real health care reform that works for real people. Help make this the largest health care lobby day in history.

The June 25 mobilization comes at a historic time in our fight to Turn Around America. This summer, Congress will craft the way we will fix our broken health care system. And this will be a battle of epic proportions—don't sit by quietly.
