**DC'S UNEMPLOYMENT RATE IS AT AN ALL TIME HIGH.
DC NEEDS NEW LEADERSHIP.**

In these tough times, District families need a real plan to create jobs. DC needs Vince Gray.

Leadership District families can trust

Vince Gray is dedicated to revitalizing our economy and building transparency in our government. As city councilman, he has championed education reform and supported economic investment to create new jobs in the District. As mayor, Vince Gray will:

- ✓ Support job-training programs in high-demand industries by partnering with local schools, the labor community and government.
- ✓ Create good jobs by investing in key industries to create lasting growth and job security.
- ✓ Enact education reform by emphasizing a collaborative approach to lifelong learning, supporting key stakeholders and expanding pre-K and higher education programs.
- ✓ Keep our families safe by investing in our first responders and developing community partnerships.
