2018 CANDIDATES' QUESTIONNAIRE

Metroplihon Washington Council AFL-CIO

Metroplihon Washington Council AFL-CIO 2018 Primary Election Candidate

Metroplihon Washington Council AFL-CIO
Under the current money bail system, judges in Maryland typically set financial conditions of release, with little consideration as to whether the defendant can meet them. Defendants must then either pay the court or a commercial bail bondsmen to get out of jail. Those who can’t afford bond often remain incarcerated until they go to trial, sometimes for periods of weeks or longer.

1. Maryland’s highest court approved key changes to its bail system, setting into motion a reform designed to keep defendants from languishing in jail before trial simply because they’re poor. Do you support bail reform efforts?

K. Confederate Monuments and Memorials: (Please provide your response on a separate sheet.)

At the federal level, legislation is being proposed that would prohibit the use of taxpayer funds for the creation, maintenance, or display of any Confederate symbols on federal property. The Federal proposal defines “Confederate symbol” as a Confederate battle flag, any symbol or other sign that honors the Confederacy, any monument or statue that honors a Confederate leader or soldier or the Confederate States of America. Localities across the nation are having this debate.

2. What is your position on this matter?

3. Should there be legislation removing Confederate symbols from libraries, parks, streets, and public buildings?
