

Resolution language submitted by Elizabeth Davis (WTU Local 6)

Whereas, there is a very real threat that the November 3 Presidential election may be the object of sabotage by the Trump administration. Metro Labor Council; will issue a public statement declaring that it is the intent of organized labor across the United States to strike if there is any indication of obstruction, sabotage or other interference regarding the implementation of a free and fair election.

'We, the undersigned labor unions, representing _____ organized workers across the United States, will respond to any attempt to obstruct, sabotage or otherwise undermine the integrity of the 2020 Presidential election by calling for an immediate work stoppage among our united membership.'
